--	------------------	-------

3. Fill out participant information and scroll down to Team Info
 - a. Follow the prompts to create a team name, set the privacy and password if needed.

NOTE: The person creating the team will be recorded as the Team Captain. You must remember the email address and password that you create as you'll need this to login to your Dashboard and manage your team later.

The screenshot shows a web form titled "TEAM INFO" (circled in red). The form asks "Do you want to join or create a team?" with three radio button options: "No", "Join a team", and "Create a team" (which is selected). Below this is a "Create team" section with a sub-header and a descriptive sentence: "Team members register themselves. As the team captain, you can use the team captain centre to manage and invite team members." The form includes three input fields: "Team name", "Is this a private team?" (with "Yes - require a password" selected), and "Team password". The background of the form is a faded image of a bridge over water.
