- A text input field with the placeholder text "Separate the email addresses by comma or semicolon."
- A dropdown menu labeled "Select which category to invite team members to" with a downward arrow.
- A text input field for the subject line: "Invitation to Join (First name) (Last name)'s Team - (Team name)".
- A text area for the email body with the following content:

Dear friend:

I've created a team called (Team name), and registration is now open. Use the link below to complete your pre-paid registration and join my team.

Looking forward to having you join us!
- A note at the bottom: "The following will be appended to the bottom of your email:"
- A link: "Click here to register:"
- A text input field for the registration URL: "(Pre-paid registration URL)".
- Two buttons at the bottom right: "Cancel" and "Send email".
